OUR CAUSE

Parkinson Society Newfoundland & Labrador is the provincial voice of Newfoundlanders and Labradorians living with Parkinson's.

Our Mission is to ease the burden and find a cure through research, education, advocacy and support services which we offer directly to our members.

The care, comfort and programs provided by Parkinson Society Newfoundland & Labrador in the province are vital to those living with Parkinson's disease and as well as to the family and friends of those who have Parkinson's.

All funds raised through the **Shake, Rattle & Roll Gala** will stay in our province to support our programs and services.

SPONSORSHIP OPPORTUNITIES

By becoming a sponsor of our
Shake, Rattle & Roll Gala for the Parkinson's
your organization will be profiled as a partner in our mission
to help those living with Parkinson's in our province.

Through a strategic marketing/advertising campaign and the
limited number of sponsorship opportunities available, we will
provide your organization with great exposure for a great value.

As a sponsor, your support will be showcased leading up to,
